### Important Notes

1. Faith formation will be held in the parish hall. The choir/parking lot door will be used as the main entrance and exit door. All entering and leaving the parish hall will be asked to use the hand sanitizer that will be placed at designated locations.
2. Parents are asked to attend the first class for all grades (online and in-person).
3. Calendar will be adjusted as conditions warrant. If a second shut-down or closure of the parish is needed, all "in person" dates will move to online.
4. Please notify Catechists if your child will be absent for in-person or online class.
5. We recommend a parent (or older sibling) be with younger Students for the first few online classes.
6. Students cannot share materials during in-person classes. Catechists will email parents in advance of class with what their Students will need during class.
7. Students must bring a mask to in-person classes.
8. Students may bring a bottle of water and snack for themselves.
9. Please join online classes on time. Similarly, please drop off and pick up on time for in person classes.
