Important Notes

1. Faith formation will be held in the parish hall. The choir/parking lot door will be used as the main entrance and exit door. All entering and leaving the parish hall will be asked to use the hand sanitizer that will be placed at designated locations.
2. Parents are asked to attend September 27th, December 13th and March 28th classes.
3. Calendar will be adjusted as conditions warrant. If a second shut-down or closure of the parish is needed, all "in person" dates will move to virtual.
4. Please notify Mrs. Sanzo if your child will be absent for in-person or virtual class.
5. We recommend a parent (or older sibling) be with younger Students for the first few virtual classes.
6. Students cannot share materials during in-person classes. Catechists will email parents in advance of class with what their Students will need during class.
7. Students must bring a mask to in-person classes.
8. Students may bring a bottle of water and snack for themselves.
9. Please join virtual classes on time. Similarly, please drop off and pick up on time for in person classes.
